

Your Product Name

awarded with a

Gold Quality Award 2023

by Monde Selection, the world's leading Quality Institute.

The Jury of the 62nd edition of Monde Selection's Quality Awards 2023 testifies of the superior Quality of Your Product Name.

As a seal of excellence, this Award offers a guarantee for consumers that Your Product Name meets high quality requirements.

"When consumers see the Monde Selection Quality Award label, they have the confirmation and certainty of choosing best in class" says Mr Louis Poot Baudier, Managing Director at Monde Selection.

A professional jury of experts, appointed by Monde Selection, tested and scrutinized Your Product Name following a rigorous evaluation process including strict criteria. The jury is composed of independent and international experts in the field such as Michelin starred-chefs, Euro-Toques, members of the Mastercooks of Belgium and specialized gastronomical critics. The process combined with the proven and recognized expertise of the jury confirm the value of the Award.

For over 60 years, Monde Selection has evaluated consumer products worldwide on their quality. Consumers recognize and trust the Monde Selection label as the guarantee of superior and outstanding quality.

About Monde Selection World Quality Awards

Monde Selection is the world leading Quality Institute for consumer products. Established in Belgium in 1961, the institute benefits from incomparably strong experience and prides itself on being one of the oldest and most professional authority in the quality assessment of consumer products based on organoleptic and scientific parameters. Each year, over 3,000 products from all over the world apply for a Monde Selection Quality Award.

Because each category has its own requirements, they are judged separately by their own independent jury of experts, each panel specialized in their field: Food products, Beers, Waters and Soft Drinks, Spirits, Diet & Health products, and Cosmetic products.

Mr Dimitri Delloye, Managing Director of Monde Selection explains: “We highly value accuracy and integrity in our product assessments. Our jury members are always external to our organization and appointed according to their professional qualifications, their specific expertise and experience, and their independence.”
